

Small Group Covenant

Our Group's Purpose:

- To provide a place and opportunity for every one who wants to grow deeper in their relationship and discipleship with Christ.
- To build on the power of Christian fellowship by getting to know and accept each other on a meaningful and real level.
- To study and apply to our lives what we learn from the Bible and to encourage each other to strive to live a Christian life in a non-Christian world.
- To pray and worship in a way that reflects a life of love and obedience to Christ.
- To seek out ways that we can serve each other, invite and include new people to our group, and to attend to people in our community and world in their need.

Other things your group will purpose to do (how will your group be unique?):

Our Agreement with each other:

- We will follow Christ, looking to God in Scripture and through prayer to guide our lives, and to share Jesus' love with each other and with others outside our group.
- Care for each other by accepting the people in our group regardless of our differences, and be available to each other when we need help of some kind.
- Keep strictly confidential whatever group members share, both during meetings and outside meetings. Always ask for permission to share a story or situation.
- Attend faithfully, letting the group know when you are unable to attend.
- Always invite and welcome visitors and new members at any meeting.
- Show a mutual, deep respect for your Small Group Leaders as they faithfully make themselves available to you, listening, mentoring, and guiding you towards a deeper, richer life in Christ.
